About Me

I am an intelligent, empathetic, and analytical thinker with a passion for problem-solving and meaningful connections. With a strong ability to understand and support others, I thrive in collaborative environments where communication and strategic thinking are key. I am driven by a commitment to excellence, continuous learning, and making a positive impact in both professional and personal settings.

Career Summary

CHIEF FINANCIAL OFFICER

DEFINITION

A Chief Financial Officer (CFO) is the senior executive responsible for managing the financial actions of a company or organization. The CFO plays a critical role in overseeing the financial planning, risk management, record-keeping, and financial reporting processes. In addition, CFOs are often involved in shaping company strategy alongside other executive leaders, ensuring the company's financial goals align with its overall business objectives.

CFOs must have a comprehensive understanding of financial management, data analysis, investments, compliance with financial regulations, and business strategy. They are considered key advisors to the Chief Executive Officer (CEO) and board of directors and are responsible for ensuring the company's financial sustainability and profitability.

EDUCATION REQUIREMENTS

Bachelor's Degree (Required)

- Majors: Accounting, Finance, Economics, Business Administration, or related fields.

Master's Degree (Preferred or Required for Large Companies)

- A Master of Business Administration (MBA) with a focus in Finance, Accounting, or Strategy is highly recommended for executive-level positions.

Certifications (Highly Recommended)

- Certified Public Accountant (CPA)
- Chartered Financial Analyst (CFA)
- Certified Management Accountant (CMA)
- Some CFOs also pursue additional certifications related to corporate governance or risk management.

EXPERIENCE NEEDED/RECOMMENDED

Entry-Level Experience (3-5 years)

- Roles: Accountant, Financial Analyst, or Junior Auditor.
- Tasks: Financial reporting, budgeting, basic forecasting, audit support.

Mid-Level Experience (5-10 years)

- Roles: Finance Manager, Accounting Manager, Senior Financial Analyst, or Controller.
- Tasks: Overseeing accounting teams, managing financial statements, regulatory compliance, risk assessments.

Senior-Level Experience (10-20 years)

- Roles: Director of Finance, VP of Finance, or Controller before becoming a CFO.
- Tasks: Leading financial strategy, coordinating with executive teams, handling mergers & acquisitions, and managing investor relations.

DAY-TO-TASKS

Financial Planning & Analysis

- Reviewing and approving financial forecasts, budgets, and long-term financial plans.
- Analyzing financial performance, identifying trends, and suggesting cost-saving initiatives.

Strategic Decision-Making

- Collaborating with the CEO and executive team to make strategic business decisions.
- Evaluating potential mergers, acquisitions, or divestitures.

Risk Management

- Identifying financial risks (market risks, credit risks) and implementing mitigation strategies.
- Overseeing insurance, compliance, and regulatory reporting.

Team Leadership

- Managing finance and accounting teams.
- Mentoring and developing finance staff to ensure company objectives are met.

Career Summary

CHIEF FINANCIAL OFFICER

JOB OUTLOOK & ENVIRONMENT

Employment of financial managers is projected to grow 17 percent from 2023 to 2033, much faster than the average for all occupations.

About 75,100 openings for financial managers are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force, such as to retire.

Financial managers work in many industries, including banks, investment firms, and insurance companies. Most financial managers work full time, and some work more than 40 hours per week.

SALARY RANGE

The median annual wage for financial managers was \$156,100 in May 2023. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than \$82,870, and the highest 10 percent earned more than \$239,200.

Career Goals & Timeline

Education Plan (1-4 years) Obtain a Bachelor's degree in accounting (4 years) at UAB Objectives: acquire foundational skills and knowledge in financial principles Early Career and Certifications(5-7 years) Become a financial analyst Objective: gain practical experience in financial reporting, analysis and understanding organizational financial operations Obtain a Chartered Financial Analyst (CFA) certification while working Objective: enhance professional credibility and expertise	Mid-Level Career (8-11 years) Advance to/become a Finance Manager Objective: obtain work experience in team management, implementing financial strategies, and ensuring compliance with financial regulations Advanced Education (8-11 years) Obtain a Masters of Business Administrations (MBA) degree (2 years) at UAB Objective: expand leadership skills and business acumen	Senior Leadership (12-15 years) Become a Vice President of Finance or Director of Finance Objectives: oversee company-wide financial strategies and operations Chief Financial officer (15+ years) Assume the top financial executive role Objectives: guide the company's financial health and strategy
